AE CORE

INSPIRATIONAL LACQUERED THERMOPLASTIC LAMINATE FOR INTERIOR DESIGN

AECORE is a new generation of decorative laminate developed by Alfatherm, Made in Italy.

The colour matching core of AECORE allows easy achievement of perfect overlapping joints while also being very flexible, enabling the laminate to set in curves, post formed and also thermal vacuum forming into exquisite forms and shapes never possible before with traditional decorative paper based laminates.

AECORE surface is coated with the latest lacquer technology delivering high performances of Silky Touch, Super Matt (anti glare), Anti Fingerprint, Anti Bacteria & High Scratch Resistance.

The Formaldehyde Free, Anti Bacteria, High Formability & Recyclable material is the perfect choice for SAFE furniture design & manufacturing.

AECORE is Water Proof, Fire Retardant Certified and comes in an XL format of 1.35m width & in a 20 linear metre roll which offers infinite possibilities of One Piece (no joints) interior designs.
